CURRICULUM VITAE

EDUCATION

- May 2019-July 2021 **Michigan School of Psychology, Farmington Hills, MI (APA-Accredited)**
Doctorate of Psychology, Clinical Psychology
- April 2023-June 2023 **Cornell University, Ithaca, NY**
Graduate Certificate, Diversity, Equity, and Inclusion
- July 2020-July 2022 **George Washington University, Washington, DC**
Graduate Certificate, LGBT Health Policy and Practice
- Sep. 2018-July 2019 **Michigan School of Psychology, Farmington Hills, MI**
Master of Arts, Clinical Psychology
- Aug. 2014-May 2016 **Loyola University Chicago, Chicago, IL**
Master of Business Administration, Operations Management
- Aug. 2008-May 2013 **University of Michigan, Ann Arbor, MI**
Bachelor of Arts, Political Science

CURRENT POSITIONS HELD

- August 2023-present **San Francisco VA Health Care System (SFVAHCS), San Francisco, CA**
LGBTQ+ Interprofessional Health Psychology Postdoctoral Resident
Clinical Duties (60%): psychodiagnostic and functional assessments, gender-affirming pre-surgical evaluations, individual and couple psychotherapy, LGBTQ+-affirmative DBT skills group, HIV support group, care coordination on interdisciplinary teams.
Training/Research/Quality Improvement Duties (40%): provision of supervision to externs under the supervision of a licensed psychologist through group and individual supervision; provision of interprofessional education and training to enhance care delivery to LGBTQ+ patients; development, validation, and implementation of measurement-based care initiatives for use in clinical care of LGBTQ+ patients.

CLINICAL, TRAINING, AND RESEARCH INTERESTS

- Gender and sexual minority health
- LGBTQ+ cultural competency interventions
- Evidence-based treatment of gender dysphoria, depression, anxiety, depression, post-traumatic stress disorder (PTSD), obsessive compulsive disorder (OCD), and eating disorders, including Acceptance and Commitment Therapy (ACT), Dialectical Behavior Therapy (DBT) and Radically Open Dialectical Behavior Therapy (RO-DBT), Cognitive Processing Therapy (CPT), Cognitive Behavioral Therapy (CBT), Motivational Interviewing
- Integrated behavioral health, health psychology, and behavioral medicine

GRANTS

- 2024 **VHA LGBTQ+ Health Program Office**
 LGBTQ+ Veteran Health Disparity Quality Improvement Grant
 Project Title: Queering a Caring Cosmology: Improving Interpersonal Health and Social Connection for LGBTQ+ Veterans
 Amount Awarded: \$14,259.19
 Investigators: Sree Sinha, Ph.D., **Jared Boot-Haury, Psy.D.**, Kaela Joseph, Ph.D., James Brennan, Ph.D., & Emily Dolsen, Ph.D.
Specific Aims: Support relational, soul-nourishing, and personal-developmental aspects of well-being within the VHA Whole Health model as an antidote to minority stress through piloting three groups focused on a) TGD identity exploration; b) TGD Veterans with ASD; and c) people in consensually non-monogamous relationships and LGBTQ+ romantic partners
Duties: Contributed to grant proposal, including data collection, outcome measurement, and analytic plan to assess intervention effectiveness. Will contribute to implementation of community-based participatory veteran experience groups and the group for TGD veterans with ASD
- 2021 **Blue Cross Blue Shield Foundation of Michigan**
Student Research Grant
 Project Title: Can Transgender Cultural Competency Training Improve Therapist Knowledge, Skills, and Attitudes in Work With Rural Transgender Clients?
 Amount Awarded: \$3,000
 Investigators: **Jared Boot-Haury, M.A.**, & Danielle Balaghi, Ph.D.
Specific Aims: To provide 10-hour training to licensed social workers and psychologists in the state of Michigan who work with rural clients and explore whether there is a difference in increased competency depending on assignment to an intensive transgender-specific training group compared to being assigned to a general multicultural training group
Duties: Developed grant proposal, including data collection, outcome measurement, and analytic plan to assess intervention effectiveness. Designed training curricula, recruited participants, served as instructor for training interventions, analyzed data, prepared and submitted manuscript published in the *Journal of Gay and Lesbian Social Services*

HONORS and AWARDS

- 2024 **World Professional Association for Transgender Health**
Outstanding Student Contribution Award (\$250)
- APA Division 18 (Psychologists in Public Service)**
Student Award

Psi Chi Journal of Psychological Research

Diversity Article Award (\$600)

2023

Association of Behavioral and Cognitive Therapies Sexual and Gender Minority Special Interest Group

Service and Social Justice Award (\$200)

April Louis Trans Health Scholarship (\$4000)

2019

Michigan School of Psychology

Jill Benton Scholarship for Humanistic Psychology (\$1000)

CLINICAL EXPERIENCE

Aug. 2022-Aug. 2023

Bowling Green State University Counseling Center, Bowling Green, OH

Doctoral Intern, Health Service Psychology

Duties: generalist model of training with formal experience in walk-in crisis consultation, university outreach through workshops and presentations, process group therapy facilitation and RO-DBT skills group facilitation. Conducted intake assessments and evidence-based therapy for individual and couples who were students at the university experiencing eating disorders, gender dysphoria, post-traumatic stress disorder, anxiety and depressive disorders, adjustment disorders, and neurodevelopmental disorders. Provided clinical supervision to a graduate assistant under the supervision of a licensed psychologist, and participated in the Counseling Center Diversity Committee. As a member of the diversity committee, facilitated an eight-week book club discussion for staff of the Counseling Center.

- Sep. 2021-July 2022 **Radical Well-Being Center, Southfield, MI**
Community Clinic Practicum Student
Duties: contributed to program development of five-part transgender and gender-diverse cultural competency workshop series and co-facilitated the workshop series for staff clinicians. Provided evidence-based individual therapy for patients struggling with eating disorders, adjustment disorders, anxiety and depressive disorders, OCD, gender dysphoria, minority stress, and psychosexual dysfunction. Wrote surgical assessment letters for transgender and gender-diverse patients seeking gender-affirming surgeries.
- Sep. 2020-Sep. 2021 **Michigan Neurology Associates, Clinton Township, MI**
Clinical Assessment Practicum Student
Duties: provided evidence-based individual and couples therapy for patients with chronic pain, substance use disorders, post-traumatic stress disorder, and eating disorders in an integrated behavioral health setting. Performed clinical interviews and pre-surgical psychological assessments before surgeries for chronic pain and bariatric surgeries, and conducted behavioral health interventions, and performing risk assessments.
- Aug. 2019-Sep. 2020 **Sollars and Associates, Troy, MI**
Licensed Psychotherapist
Duties: assessed and provided evidence-based therapy to individual adults and couples for psychosexual dysfunction, gender dysphoria, adjustment disorders, anxiety, OCD, and depression. Consulted with primary care providers and psychiatrists to assist with medication management.
- Jan. 2019-July 2019 **The Center for Relationship and Sexual Health, Royal Oak, MI**
Private Counseling Center Practicum Student
Duties: provided evidence-based individual, couples, and family therapy for patients experiencing psychosexual dysfunction, gender dysphoria, minority stress, anxiety and depressive disorders, and post-traumatic stress disorder. Co-facilitated a men’s sexual assault survivor therapy group.
- Aug. 2018-Jan. 2019 **Affirmations LGBTQ+ Community Center, Ferndale, MI**
LGBTQ+ Community Center Practicum Student
Duties: provided evidence-based individual and couples therapy for patients experiencing anxiety and depressive disorders, gender dysphoria, and minority stress. Facilitated a millennial LGBTQ+ support group and connected patients with community resources to aid in their recovery.

CERTIFICATIONS

- April 2024 **World Professional Association for Transgender Health (WPATH)**
Global Education Institute Standards of Care 8 Certified Mentor
- November 2023 **World Professional Association for Transgender Health (WPATH)**
Global Education Institute Standards of Care 8 Certified Member
- November 2021 **American Board of Sexology**
Board Certified Diplomate in Clinical Sexology
- October 2021 **American Association of Sexuality Educators, Counselors and Therapists (AASECT)**
Certified Sex Therapist
- July 2021 **The Original Intuitive Eating Pros**
Certified Intuitive Eating Counselor

- July 2020 **World Professional Association for Transgender Health**
Global Education Institute Standards of Care 7 Certified Member
- January 2016 **American Society for Quality**
Certified Six Sigma Yellow Belt

TEACHING EXPERIENCE

- June-August 2024 **California Institute of Integral Studies, San Francisco, CA**
Faculty: Human Sexuality Summer Research Fellowship
Duties: assisted in creating curriculum and syllabus for the fellowship, reviewed applications and selected candidates for a research team that produced three manuscripts focused on sex work, provided feedback to fellows and assisted them with navigating the publishing process, and led workshops for fellows focused on sexology, research, and publishing
- March 2024 **Contra Costa Health, Online**
Guest Lecturer: LGBTQ Health Monthly Lecture Series
Duties: invited as guest lecturer on providing affirming care to the asexual community
- February 2024 **University of Michigan, Ann Arbor, MI**
Guest Lecturer: LGBTQ Health and Inequities
Duties: invited as guest lecturer on stigma, discrimination, and LGBTQ+ health
- August 2023-present **George Washington University, Washington, DC**
Teaching Assistant: LGBT Mental Health
Duties: conducted synchronous sessions on affirming mental health care for LGBT persons. Responsible for course development, management, and grading.
- January-April 2022 **Michigan School of Psychology, Farmington Hills, MI**
Teaching Assistant: Research Methods
Duties: grading, providing office hours for class review, occasional lecturing, and assisting with preparing lecture and course materials
- January-April 2021 **Michigan School of Psychology, Farmington Hills, MI**
Teaching Assistant: Psychometrics
Duties: grading, providing office hours for class review, occasional lecturing, and assisting with preparing lecture and course materials

INVITED PRESENTATIONS

- July 2024 **Championing Inclusive Health: Supporting Asexual and Consensually Non-Monogamous Individuals Through Affirmative Care Practice, APA Division 18: Psychologists in Public Service, Online**
- February 2024 **Sexual Identity Development and Acceptance, VA National Mental Health & Suicide Prevention LGBTQ+ Health ECHO, Online**
- October 2023 **Letter Writing Without Gatekeeping, Radical Well-Being Center, Online**
- May 2023 **Minority Stress, Resilience, and Psychological Distress Among Asexual TGNC Individuals, Society for Sex Therapy and Research 48th Annual Meeting, Online**

- March 2023 **Preparing for the EPPP, APA Division 12 (Society of Clinical Psychology), Online**
- February 2021 **An Introduction to Asexuality, GLMA: Health Professionals Advancing LGBTQ+ Equality, Online**
- February 2021 **Trans 101, Michigan School of Psychology, Farmington Hills, MI**
- June 2019 **Understanding Asexuality: A 101 Workshop, Core Learning Center, Southfield, MI**
- June 2019 **Understanding Asexuality: A 101 Workshop, Modern Sex Therapy Institutes, Online**
- June 2019 **How to Support an Adolescent who Identifies as Asexual, PFLAG, Canton, MI**

RESEARCH EXPERIENCE

- 2023-present **San Francisco VA Health Care System**
Principal Investigator, Affirming LGBTQ+ DBT Grad Group for Veterans
Duties: develop an Affirming LGBTQ+ DBT Grad Group within the SFVAHCS and conduct pre- and post-participation data analysis to assess program outcomes measuring participant improvement in emotion regulation, ways of coping, minority stress, and depression symptoms for LGBTQ+ Veterans who participate in an Affirming LGBTQ+ DBT Grad Group.
- 2020-2023 **George Washington University, Washington, DC**
Principal Investigator, Intensive Transgender-Specific Cultural Competency Training
Duties: conduct development and data analysis for assessing program outcomes measuring rates of transgender competency, for mental health professionals who work with rural patients enrolled in a general multicultural training with 1-hour of transgender-specific content compared to mental health professionals enrolled in a transgender-specific training including 10-hours of transgender-specific content. Created curriculum for each of the 10-hour trainings and collected data from 43 licensed psychologists and social workers in the state of Michigan. Prepared and submitted manuscript for publication in the *Journal of Gay and Lesbian Social Services* on the preliminary implications associated with intensive transgender-specific training.
- 2020-2022 **Michigan School of Psychology, Farmington Hills, MI**
Principal Investigator, Dissertation
Duties: development and execution of a survey study exploring minority stress, resilience, and psychological distress among people who are asexual and transgender and gender-diverse (TGD). Collected data from 300 participants nationwide. Prepared and submitted manuscript for publication in the *Psi Chi Journal of Psychological Research* on minority stress, resilience, and gender identity as predictors for psychological distress among asexual TGD adults. Also prepared and submitted a manuscript for publication in *The Humanistic Psychologist* on the qualitative findings from participants as related to the existential givens of life.
- 2019-2023 **Michigan School of Psychology, Farmington Hills, MI**
Principal Investigator, Development of the Asexual Stigma Inventory
Duties: development and execution of a psychometric validation study for a measure of stigmatizing experiences asexual individuals face. Collected data from 646 participants nationwide and validated the instrument using exploratory and confirmatory factor analysis. Prepared and submitted manuscript for publication in the *Journal of LGBTQ Issues in Counseling* on the scale development and its implications for the field.

- 2019-2020 **Michigan School of Psychology, Farmington Hills, MI**
Co-Investigator, Gay Men Who "Bug Chase" an HIV-Positive Serostatus
Duties: assisted with coding and analyzing qualitative data from 10 interview transcripts and participated in the consensual qualitative research process to ascertain domains and themes from the data.
- 2018-2020 **Michigan School of Psychology, Farmington Hills, MI**
Co-Investigator, Gender and Sexuality Research Forum
Duties: entered survey responses and analyzed data collected from Motor City Pride in Detroit. Explored and tested clinical psychological implications of LGB identity constructs and how they relate to relationship satisfaction. Contributed to manuscript submitted for publication in the *Psi Chi Journal of Psychological Research* using data from 93 gay and bisexual men that explored the predictive relationship between minority stress constructs and relationship satisfaction.
